The Office of Counselor in Mental Health is appointed to administer or conduct certification review hearings in compliance with Welfare and Institutions Code section 5256 et seq. All persons involuntarily detained in psychiatric

hospitals in San Diego County will have a certification review hearing when a 14-day certification has been filed and when a 30-day certification has been filed. Hearings will be held for all persons regardless of the basis for certification. Hearings will be held within four days of the date on which the person was certified for intensive treatment, unless postponed by request of the person or his or her attorney or advocate. Hearings may be postponed 48 hours or until the next regularly scheduled court date.

The following will apply to certification review hearings held in San Diego County:

A. Certification review hearings will be conducted at the facility where the person is receiving treatment unless the patient requests a public hearing, in which case the hearing will be held at a designated location to allow the public to attend.

B. Certification review hearings must be held in surroundings which allow for safety, quietness, and a reasonable degree of confidentiality, unless the patient waives confidentiality to request a public hearing. A copy of the Notice of Certification will be at the certification review hearing.

C. “Representative of the treating facility” means a registered nurse, certified nurse practitioner, psychiatrist, social worker or psychologist. A representative of the treating facility must be present at the hearing to give testimony and answer questions regarding the basis for continued detention and treatment.

E. The patient's rights advocate or an attorney for the patient may be present and assist the patient in presenting testimony at the certification review hearing. Other persons, including friends and relatives, will be admitted to the hearing at the discretion of the hearing officer.

F. Certification review hearings are not bound by rules of procedure or evidence applicable to judicial proceedings. All evidence which is relevant to establishing that the person is, or is not, as a result of a mental disorder, a danger to themselves or others, or gravely disabled may be admitted at the hearing and considered by the court commissioner or hearing officer.

G. The patient's rights advocate or a retained attorney will meet with the patient prior to the certification review hearing to discuss the commitment process and to assist the patient to prepare for the certification review hearing and to answer questions or otherwise assist the patient as is appropriate.

H. The patient has the right to make reasonable requests for the attendance of facility employees who have knowledge of, or participated in, the certification decision.

I. Certification review hearings will be held for the person who has already requested a writ of habeas corpus hearing if the certification review hearing can be held on a date preceding the writ hearing. A certification review hearing will not be held where a writ of habeas corpus hearing has been held.

CHAPTER 9
WRIT OF HABEAS CORPUS FOR MINORS ADMITTED TO PRIVATE
PSYCHIATRIC FACILITY BY PARENT

Rule 8.9.1

Writ of Habeas Corpus

A. Applicability

Minors admitted to private psychiatric facilities by a parent are entitled to habeas corpus relief in a manner consistent with the provisions of the LPS Act.

This procedure applies to any minor who is voluntarily admitted to a private psychiatric facility by a parent who has legal and physical custody of the minor. As used in this section “minor” means any person 10 through 17 years of age whose liberty is being restrained in a private (non-public) psychiatric treatment facility and the minor protests the restraint. For purposes of this section, writs of habeas corpus will be subject to the general provisions of Penal Code section 1473 et seq.

B. Right to Writ

1. Every minor 10 through 17 years of age, whose liberty is being restrained in a private psychiatric treatment facility, may request a writ of habeas corpus to inquire into the cause of such restraint.

2. A writ of habeas corpus may be adjudicated to inquire into the basis for the restraint. The criteria are as follows:

- a. The minor is not being detained for evaluation and treatment of any disorder.
- b. Other causes which may be unlawful, as specifically stated in the petition.

Nothing in this section shall be construed as limiting the grounds for which a writ of habeas corpus may be prosecuted or as precluding the use of any other remedies.

(Adopted 7/1/2006; Rev. 1/1/2014)

Rule 8.9.2

Procedures

A. Filing. When a minor requests release from any private psychiatric facility to any member of the facility treatment staff or the Patient Rights Advocate, that minor must promptly be provided with a “Petition for a Writ of Habeas Corpus by a Minor.” Such form must be filed with the court clerk at the Mental Health Desk at 1100 Union Street, San Diego, California 92101, the next work day following completion of the petition.

B. Granting Writ. Upon a finding of probable cause, the following will occur:

1. The judge will endorse upon the petition the hour and date of the granting or denial of the writ, and a hearing will be held within two court days. When a writ is granted, it will be directed to the director of the facility restraining the minor, commanding the director to have the minor before the court at a time and place therein specified.

2. The court will appoint an attorney to represent the minor at the hearing.

C. Sick and Infirm Petitioner. The writ will be adjudicated in accordance with Penal Code section 1482.

C. Notice will be given by the Department indicating that the minor was presented to the facility for LPS evaluation and was either admitted to the facility, or was deemed not subject to admittance under Welfare and Institutions Code section 5585 et seq. If the minor is admitted without the knowledge of the Department, the Department must, upon being informed of the minor's admission, undertake reasonable steps to provide notice required by this rule.

D. If the minor is admitted into the facility, the Department must, in addition to the notice referred to in subsection C. above, contact the minor's attorney, in person or by phone, within six hours of admission. The Treatment and Aftercare recommendations required by statute must be provided to the Department who will then incorporate the same in the planning process for proper placement of the minor upon discharge from the facility. The Department must inform the court of any delays or difficulties in receiving the Treatment and Aftercare recommendations from the facility.

G. If, after the expiration of the 72-hour period, the minor is not certified for the 14-day period described in Welfare and Institutions Code section 5250 et seq., and if the minor has not completed the voluntary application referred to in these rules, the minor will be discharged from the facility to the custody of the Department for further placement consistent with the procedures of the Welfare and Institutions Code and court policy.

D. At the expiration of the involuntary status under LPS or sooner if the minor is discharged from the facility, the minor must be returned to the custody of the Department for further placement consistent with the procedures of the Welfare and Institutions Code and court policy, unless the minor completes the voluntary application referred to in this policy.

2. An acknowledgment that the minor has been made aware of his or her rights, the consequences of waiver, all in a manner the minor is able to understand.

D. An acknowledgment of the right to revoke the application and be discharged pursuant to rule 8.10.4, subsection J, unless the minor may be involuntarily detained under Welfare and Institutions Code sections 5585 or 5350.

E. The application, signed by the minor after advisement by the attorney or patient advocate, constitutes the only basis for the facility to accept the minor as a voluntary patient, pending the court order referred to in rule 8.10.4, subsection F.

F. The duly executed application will be presented to the Juvenile Court ex parte, whereupon the court will make the findings pursuant to Welfare and Institutions Code section 6552 that the minor be authorized to make a voluntary application. The finding will be based on the evidence presented, but must include at a minimum the following:

1. The voluntary application signed by the minor, together with the attorney certification signed by minor's counsel.

3. A medication plan that sets forth the category of medications, if any, to be administered to the minor.

G. Upon making the findings referred to in subsection F, the Juvenile Court will issue an order authorizing the voluntary admission of the minor for treatment. Such an order must be served on all counsel and parties. Such an order shall be construed solely as an authorization for treatment pursuant to Welfare and Institutions Code section 6552 and does not constitute a court-ordered commitment. Upon being served, any counsel or party may schedule a special hearing for purposes of objecting to the court order. The special hearing must be heard within three judicial days.

H. A court order authorizing the voluntary admission of a minor for treatment does not deprive the minor of the right to revoke the voluntary application.

I. A revocation of the voluntary application must be communicated immediately to the Department which will calendar a special hearing for the next court day and notify all counsel and parties.

J. The minor must be released to the Department after the court hearing referred to in subsection I, unless the provisions of the LPS Act are satisfied.

Rule 8.11.3

Initiating Hospitalization

A. When it is determined by an appropriate mental health professional that a minor is in need of psychiatric inpatient services, the responsible person, or staff representing the proposed treatment facility, must, prior to any admission to a facility initiate these procedures: (1) obtain a physician's affidavit; and (2) contact Minor's Counsel who will either in person or by telephone inform the minor of the right to a hearing and determine whether the minor will freely, voluntarily and intelligently waive the right to a hearing, and may inform the minor of other patient rights.

B. The "Physician's Affidavit" must include the following information.

1. Whether the minor suffers from a mental disorder, and if so, its nature;

2. Whether the proposed treatment program requires 24-hour hospital care and is reasonably expected to ameliorate the mental disorder;

3. Whether the proposed facility in which the minor is to be placed is the least restrictive and most appropriate and available facility which can fulfill the objectives of treatment; and

4. Whether the treatment facility is in the minor's home community or that the benefit of placement outside the home community outweighs the detriment of separating the minor from the home community.

C. When a minor has been involuntarily detained at a facility under other provisions of law, and the responsible person desires to voluntarily admit the minor, the facility staff may assist in initiating voluntary admission. For the purposes of this procedure, the voluntary admission will be treated as new admission to the facility regardless of prior involvement of the minor with the facility.

D. The physician's affidavit must be available at the facility when the Minor's Counsel determines whether the minor is protesting the admission, and it must be available to the hearing officer at the hearing.

E. The professional person testifying at the hearing may be a person other than the person signing the "Physician's Affidavit" who is familiar with the treatment needs of the minor and available and/or potential resources.

F. When the minor protests the admission at the time of the evaluation for admission, or prior to the time of Minor's Counsel seeing the minor to ascertain whether the minor is protesting the admission, the procedures described in rule 8.11.5 apply.

Minor's Counsel and the minor must sign the approved "Waiver of Hearing" form (hereinafter referred to as "waiver"), except where the waiver is obtained telephonically, in which case the waiver on page 2 of the waiver will suffice. The signed waiver allows admission to the facility, providing other necessary authorization(s) (e.g., permission of the responsible person or legally authorized designee), which is/are also available. The waiver must remain in the minor's record at the treating facility. A copy of the signed waiver and the physician's affidavit must be given to the facility to which the minor is to be admitted.

B. When the waiver has been signed by a person other than Minor's Counsel due to telephone authorization, on the next work day following admission of the minor, Minor's Counsel must personally interview the minor and review the waiver. If, in the opinion of Minor's Counsel, the minor is not freely, voluntarily and intelligently waiving the right to a hearing, or if the minor is now protesting the admission and requesting a hearing, Minor's Counsel must again advise the minor of the right to a hearing. A hearing must be held within five work days from the date the minor requests a hearing unless an agreement has been reached pursuant to rule 8.11.5H.

C. If, in the opinion of Minor's Counsel, the minor is not freely, voluntarily, and intelligently waiving the right to a hearing, or if the minor is protesting the admission and is requesting a hearing, Minor's Counsel must notify facility staff of the need for a hearing, and the facility staff or responsible person must arrange for a hearing through the Office of Counselor in Mental Health. A hearing will be held within five work days from the date Minor's Counsel informs the facility of the need for a hearing unless an agreement has been reached pursuant to rule 8.11.5H.

D. In situations where a minor was admitted as an inpatient to a facility in accordance with the provisions of this procedure and waived the right to a hearing and subsequently indicates to Minor's Counsel, any member of the treatment staff, or the responsible person a desire to have a hearing and/or be released from the facility, then a hearing will be conducted by a hearing officer within five work days from the time of the request for hearing being filed with the Office of Counselor in Mental Health, unless agreement has been reached pursuant to rule 8.11.5H.

Rule 8.11.5

Protesting Minor

A. When the minor protests the admission and requests a hearing, the facility staff or Minor's Counsel must promptly telephone the Office of Counselor in Mental Health and request a hearing.

B. No admission will be made for a protesting minor under these procedures until a hearing is held or the minor waives the right to a hearing. It is the intent of these procedures that hearings be held on a pre-admission basis, unless the minor has been previously admitted under other provisions of law.

C. Minor's Counsel will be appointed to represent the minor at all hearings for admission to a hospital for acute psychiatric treatment.

D. Upon receipt of the request for a hearing, the Office of Counselor in Mental Health will:

1. Set a date for a hearing which must be scheduled no later than five work days after the request for hearing has been received unless agreement has been reached pursuant to rule 8.11.5H; and

2. Give notice of the hearing to the following by telephone:

a. Minor's Counsel;

- b. The proposed facility.
 - E. The proposed facility or responsible person must notify the minor of the hearing.
 - F. The proposed facility must make a reasonable effort to notify the responsible person and/or parent(s) of the hearing.
 - G. Minor's Counsel and the hearing officer may review all clinical and medical records in accord with Welfare and Institutions Code sections 5328, subdivision (j), 5328, subdivision (m), and 5540-5546.
 - H. Nothing herein precludes the hearing from being held more than five work days from the date of the request, for good cause, and upon agreement of the hearing officer and attorney or the Minor's Counsel.
 - I. At the hearing, Minor's Counsel represents the minor. The minor and Minor's Counsel have the right to:
 - 1. Review the physician's affidavit;
 - 2. Be present at the hearing;
 - 3. Present evidence and call witnesses;
 - 4. Confront and cross-examine witnesses; and
 - 5. Waive the minor's right to be present at the hearing.
 - J. The hearing will be held in a place convenient to the parties and in an informal setting. The public will be excluded from the hearing, subject to exceptions made at the discretion of the hearing officer, inclusive of family members. Hearings may be electronically recorded, and all records will be held as confidential as provided in Welfare and Institutions Code section 5328.
 - K. Hearings will be conducted in an informal manner and the hearing officer may consider all evidence of probative value irrespective of whether it complies with formal rules of evidence. The decision of the hearing officer will be based on the preponderance of evidence. All of the following will be established at the hearing:
 - 1. The minor suffers from a mental disorder;
 - 2. The proposed treatment program requires 24-hour hospital care and is reasonably expected to ameliorate the mental disorder;
 - 3. The proposed facility in which the minor is to be placed is the least restrictive and most appropriate facility which can fulfill the objectives of treatment; and
 - 4. If the treatment program is not in the minor's home community, the benefit of placement outside the home community outweighs the detriment of separating the minor from the home community.
 - L. The hearing officer will make findings in writing to support the decision. Following the hearing, the hearing officer will issue an order authorizing admission to the recommended or alternate facility or an order denying admission. Copies of the findings and order will be provided to all the following:
 - 1. The minor;
 - 2. Minor's Counsel;
 - 3. The responsible person upon request; and
 - 4. The proposed facility.
- Whenever possible a mental health professional who will participate in treatment in the proposed facility or a professional person who has participated in the minor's treatment should be available to present testimony at the hearing.
- M. Nothing in these procedures requires a facility to accept a minor.
 - N. The minor may be admitted to the authorized facility within 15 calendar days following the hearing.

Patient Reimbursement of Appointed Counsel's Fees and Costs

A. Determination. In those cases where counsel has been appointed to represent the patient, and it is believed that the patient has sufficient funds to pay attorneys' fees and costs, the Mental Health Court judge, upon a timely request by counsel and notice to the conservatee, will determine which legal services and costs, and the amounts, are to be reimbursed by the patient.

B. Stipulation. Reimbursement to the County for fees and costs can be ordered based on the stipulation of the parties.

C. Procedural Requirements - Notice to Patient

1. Payment of attorney fees and reimbursement for attorney costs will not be ordered paid by conservatee unless the conservatee, and the conservator for the estate or the conservatee's personal representative, if any, have been notified in writing of the possibility that fees and costs may be ordered to be paid by the conservatee.

2. It is the duty of the office of the Public Conservator, or such agency or individual as may file the initial petition for permanent conservatorship, to include on the face thereof written notice of the possibility that the conservatee's estate may be held liable for the payment of attorney fees and reimbursement of costs incurred for services rendered relative to any mental health law proceedings that take place after the filing of said petition and during the pendency of the conservatorship.

D. Request for Conservatee to Pay Fees and Costs

1. Counsel appointed for the conservatee may submit a request to the Mental Health Court judge that the conservatee pay legal fees and/or reimburse the counsel for costs. Appointed counsel (a) may make the request in open court at the time of the subject hearing in the presence of the conservatee, or (b) may submit a separate noticed petition for same, and calendar a hearing with proper notification to the conservatee and the conservator in accordance with the established notice procedures as stated in "Notices" of these rules. In the notice, counsel for the conservatee must specify the amount of the attorney fees and costs being requested and sufficient details to show the reasonableness of the requests.

2. Counsel appointed for the conservatee has the burden of proving: (a) that the conservatee has sufficient funds to pay the requested amount of attorney fees and costs, and (b) the reasonableness and accuracy of the amounts requested.

3. In ruling on the request, the Mental Health Court judge will (a) determine whether the conservatee has sufficient funds, and (b) set the amount of fees to be paid and the amount of costs to be reimbursed. The judge will consider the amount customarily awarded in routine cases.
